Chat-bot Interface Survey

In this section, let's analyze functions of a chat-bot and a way of presenting its answers.

Rate the layout presented on the images from 1 to 10, and comment on your rating in the text field below.

The layout presents an app interface that comprises:

- an informational chat-bot that gives you structured answers and media attachments (see pictures 1 and 2),
- a planning calendar (see picture 3),
- a button to add a new entry to the planning calendar (see picture 4),
- a catalogue of social stories that you can add to your favorites (see picture 5),
- a section with your favorite social stories that you can comment (see picture 6).
